

Employee Handbook

Core expectations, employment standards, and handbook references.

- [Welcome](#)
- [Roles and Expectations](#)

Welcome

This handbook is the main starting point for employees.

- Use this to explain your culture, expectations, and standards.
- Replace placeholder text with your real policy details.
- Link out to deeper SOPs where needed.

Roles and Expectations

Use this section to define how employees are expected to operate.

- Attendance and availability
- Communication standards
- Escalation expectations
- Professional conduct
