

# Incident Response

Operational incident triage and reporting guidance.

- [Incident Triage](#)
- [After-Action Reporting](#)

# Incident Triage

Use this page to define how incidents are categorized and prioritized.

- Severity levels
- Immediate containment
- Who gets notified
- What must be documented

# After-Action Reporting

Use this page for post-incident review expectations.

- What happened
- What actions were taken
- What follow-up is needed
- What process should be improved
