

# Moderation Procedures

Rules enforcement, evidence handling, and moderation standards.

- [Moderation Standards](#)
- [Evidence Handling](#)

# Moderation Standards

Use this page to define consistent moderation expectations.

- Act on evidence, not assumptions
- Apply rules consistently
- Record serious actions
- Escalate edge cases

# Evidence Handling

Document how staff should gather, store, and summarize evidence.

- Capture timestamps and links
- Keep source material intact
- Summarize neutrally
- Store records in the approved system
